The Prospectus/Call for Entries will be loaded on our blog and News-Opportunity Section of our site on 8/6/10. Booksmart Studio is seeking submission's for our exhibition "In Habitation". The juror will be David Wright who is a editorial photographer based out of Maine. David's series "Alebtong, Uganda, 2009" is very well known and he was also the co-founder of the project and exhibition called Pause to Begin.

"In Habitation" is looking for photographs that help explore the landscape and infrastructure of America, the population responsible for it, and the symbiotic relationship between the two. This exhibition explore the ways in which our urban and rural centers operate and fluctuate, creating a uniquely American dynamic of experience. This exhibition will ultimately present a socio-graphic interpretation of America- a mapping of people and place.
